On February 19, we issued a fiscal note on this bill which indicated that:

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures of \$249,600 for incarceration*. The details of the inmate population growth and costs are shown below:

Year 1	1 Inmate	\$22,000
Year 2	10 Inmates	\$168,900

The fiscal impact from enactment of this bill, based upon additional information furnished by the Department of Correction on March 18, is estimated to be an increase in state expenditures of \$88,000 for incarceration*. This estimate is based upon nine convictions each year being sentenced for a Class C felony rather than a Class E felony and serving an additional 219 days.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
